Report Tips Using Secure Text Messaging or our Secure Website

Heartland Crime Stoppers can accept your tips regarding the information in this pamphlet by phone, by text messaging, or by our secure website.

First, you can submit a tip via our website, www.heartlandcrimestoppers.com. Simply log on, click on the "Give a Tip" box located on the bottom left side of the home page. This will take you to a secure, encrypted page where you can submit your information. Your IP address is not tracked and we will never know your identity. After submitting your tip information, you are given an option to set up a password. By choosing this option, Crime Stoppers can communicate back to you. You will be able to check to see if your tip has resulted in an arrest and to find information regarding your cash reward.

We realize that sending a text message is easier than making a phone call and easier than finding a computer to submit your information. Simply text your tip information to CRIMES (274637). You must start the message by typing "TIP196" so your tip information is sent to Heartland Crime Stoppers.

Crime Stoppers will receive your tip information and can text message you back if we have further questions. We will not know your phone number as the message is sent to a secure processing center outside of the United States. All text messaging fees are paid by Crime Stoppers!

You can always call our toll free hotline, 1-800-226-TIPS, and talk to an operator who will take your information. The operator will never ask your name and the call is not traced, therefore your anonymity is guaranteed. To determine if your tip led to an arrest, you can call back the tip line.

If you have any information about any of the crimes featured in this brochure, please choose one of the above listed methods of getting us your information. As always you are guaranteed anonymity and should your tip lead to arrest, you are eligible for a cash reward!

HELP IN LOCATING MISSING PERSON

The Polk County Sheriff's Office is asking for the public's help in a missing person's investigation.

Lakeland resident, Abraham Shakespeare, 43-years-of-age, DOB 04/23/1966, was reported missing on November 9, 2009.

His friends and family advised detectives that Shakespeare was last seen in the Lakeland area in early April, 2009.

Detectives do not consider Shakespeare a suspect in any open investigation; however they are concerned about his well-being after having no contact with his family since April, or over the recent Thanksgiving holiday weekend. There is a \$5,000.00 cash reward offered for information leading to Shakespeare's current whereabouts.

Shakespeare is a Florida Lottery winner from November 2006. The jackpot total was \$31 million.

In April 2007, Shakespeare was sued by a co-worker who alleged that Shakespeare had stolen the tickets from him. Shakespeare won the suit in October 2007.

Shakespeare is described as a black male, with brown eyes and black hair. He is approximately 6 foot 5 inches tall and weighs approximately 190 pounds.
